

**PRESCRIPTION ONLY MEDICINES  
MEDICINES ACT SI 1921 1980**

ProCure Health Limited, as a Licensed Pharmaceutical Wholesaler, is only able to supply POM's to Occupational Health Departments in response to an order approved by the Doctor in charge of the Department. The Doctor can authorise Occupational Health Nurses to act on his/ her behalf and approve orders for POM's. The delegating Doctor may be resident, visiting or consulting, but the authorisation needs to be written.

If your Doctor wishes to authorise your Nurses to order POM's please complete the sections below and return to our Sales Department.

|              |                |         |
